

TESTING LABORATORY DIRECTORY – KERALA (MSME FOCUS)

As on Date: May 2026

Prepared by:

MSME Development and Facilitation Office (DFO)
Thrissur, Kerala.

&

MSME Development Nucleus Cell (DNC)
Kavaratti, Lakshadweep.

Under the Office of Development Commissioner (MSME)
Ministry of MSME
Government of India.

Disclaimer

This directory is prepared for reference purposes. Data has been collected by directly contacting respective laboratories and through Google Form responses. While efforts have been made to ensure accuracy, the information may change due updation by the laboratories. Users are kindly advised to verify information with the concerned laboratories at time of your need. MSME DFO, Thrissur shall not be responsible for any discrepancy in the information.

Foreword

Quality testing, certification, and standards compliance have become critical requirements for the growth, competitiveness, and long-term sustainability of Micro, Small and Medium Enterprises (MSMEs). Access to reliable testing facilities and accredited laboratories plays a vital role in ensuring product quality, regulatory compliance, export preparedness, and wider market acceptance.

In this context, the “*Testing Laboratory Directory – Kerala (MSME Focus)*” has been prepared as a basic reference document for MSMEs, entrepreneurs, exporters, start-ups, and other stakeholders. The directory consolidates information on Government, Autonomous, Public Sector, and Private Testing Laboratories across Kerala, covering various sectors and disciplines relevant to MSMEs.

This publication is a thoroughly updated and expanded version of the database available with MSME-DFO Thrissur. It has been compiled and prepared by Shri Perumal S, IEDS, Assistant Director In-Charge, MSME-DNC Kavaratti, the Union Territory-level office functioning under MSME-DFO Thrissur, Ministry of MSME, Government of India, with the active support and contribution of Ms. Aisha Reja P, Young Professional, MSME-DNC Kavaratti.

I appreciate the sincere efforts taken in compiling and updating this useful directory, which I am confident will serve as a valuable guidance document for MSMEs in identifying appropriate testing facilities, certification support systems, and quality infrastructure.

I also acknowledge the cooperation extended by various laboratories, institutions, and stakeholders in providing the necessary information for this publication.

Prakash G S, IEDS
Director
MSME Development and Facilitation Office Thrissur
Ministry of MSME
Government of India.

1.ABOUT THE DIRECTORY & IMPORTANCE OF CERTIFICATION

About the Directory

This Testing Laboratory Directory has been prepared as a basic reference to support Micro, Small and Medium Enterprises (MSMEs) in accessing testing facilities, certification requirements, and quality infrastructure.

The directory brings together information on NABL-accredited laboratories, BIS recognized laboratories, CSIR institutions, MSME testing centres, Export Inspection Agencies, and sector-specific testing facilities, with a focus on Kerala and nearby regions. It is designed to serve as a single-point guidance document for MSMEs, entrepreneurs, and stakeholders to identify appropriate laboratories and certification.

The directory also includes mandatory certification requirements, sector-wise testing facilities, and available financial assistance schemes, enabling MSMEs to make informed decisions related to product testing, compliance, and quality improvement.

Importance of Certification for MSMEs

1. Quality Assurance & Reliability

Certification ensures that products meet prescribed standards and specifications, resulting in improved product quality, safety, and performance. It enhances customer safety and satisfaction and reduces risk of product failure .

2. Regulatory Compliance

Many products require mandatory certification (such as BIS, FSSAI, etc.) before they can be manufactured, sold, or exported. Compliance helps MSMEs avoid legal issues, penalties, and market restrictions.

3. Market Access & Competitiveness

Certification is often essential for

- Government procurement (GeM, tenders)
- Export to international markets
- Entry into organized retail and institutional supply chains

Certified products gain better acceptance and competitive advantage in the market

4. Support for Export & Global Standards

Testing and certification help MSMEs comply with international quality standards, enabling access to global markets and improving export potential.

In today's competitive environment, quality certification is not optional but essential for MSMEs to sustain and grow. This directory aims to simplify access to testing facilities and certification systems, thereby supporting MSMEs in achieving quality excellence, regulatory compliance, and market success

2. LIST OF ITEMS REQUIRING MANDATORY BIS CERTIFICATION

To ensure product quality, consumer safety and regulatory compliance, the Government of India has made BIS certification mandatory for several products through Quality Control Orders (QCOs). Manufacturers, importers and sellers of notified products must obtain BIS certification before sale in the Indian market.

Major Categories of Products Under Mandatory BIS Certification

| Category | Example Products | Type of BIS Certification |
|----------------------------|--|--|
| Electrical Appliances | Electric Iron, Immersion Heater, Mixer Grinder, Switches | ISI Mark Certification |
| Electronics & IT Products | Mobile Phones, Laptops, LED TVs, Power Banks, Chargers | BIS CRS Registration |
| Construction Materials | Cement, Steel Products, PVC Pipes | ISI Mark Certification |
| Automotive Products | Helmets, Tyres, Tubes, Safety Glass | ISI Mark Certification |
| Batteries & Solar Products | Secondary Cells, Solar PV Modules, Inverters | BIS CRS / ISI |
| Footwear & Furniture* | Safety Footwear, Furniture Items | BIS Certification (<i>phased implementation</i>) |

Important Note

More than 450 products are presently covered under mandatory BIS certification under various Quality Control Orders issued by the Government of India.

For Complete and Updated List

- [BIS Products Under Compulsory Certification](#)
- [BIS CRS Product List \(Electronics & IT Products\)](#)
- [Bureau of Indian Standards \(BIS\) Official Website](#)

3. LIST OF NABL ACCREDITED LABORATORIES

The National Accreditation Board for Testing and Calibration Laboratories (NABL) accredits laboratories in India as per international standards such as ISO/IEC 17025 and ISO 15189. NABL accreditation ensures technical competence, reliability of test results, and global acceptance.

Kerala has a strong network of NABL-accredited laboratories supporting MSMEs in sectors like food processing, water testing, construction, fisheries, rubber, and environmental monitoring.

Official NABL Portal

NABL Lab Search: <https://nablwp.qci.org.in/laboratorysearchone>

🔗 Users must verify the latest list by selecting “State: Kerala” in the portal.

Major NABL Accredited Labs in Kerala

| Lab Name | Location | Sector | Key Services |
|---|--------------------|------------------|---------------------------------|
| Kerala Highway Research Institute (KHRI) | Thiruvananthapuram | Construction | Soil, Concrete, Bitumen Testing |
| Kerala Water Authority Lab | Multiple Districts | Water | Drinking Water Quality Testing |
| Rajiv Gandhi Centre for Biotechnology | Thiruvananthapuram | Biotechnology | Advanced Lab Testing |
| Cochin Test House | Ernakulam | Food/Environment | Food, Water, Air Testing |
| Interfield Laboratories | Ernakulam | Construction | Material Testing |
| Sea Lab | Alappuzha | Fisheries | Seafood Export Testing |
| Kerala Agricultural University Lab | Thrissur | Food/Agriculture | Food Quality Testing |
| Coir Board Laboratory | Thrissur | Coir | Fibre Testing |
| Rubber Board / RRII Lab | Kottayam | Rubber | Polymer Testing |
| Spices Board Laboratory | Kochi | Spices | Export Quality Testing |

4. MAJOR BIS RECOGNIZED & SECTOR-SPECIFIC TESTING LABORATORIES IN KERALA

The Bureau of Indian Standards (BIS) recognizes laboratories under its Laboratory Recognition Scheme (LRS) to ensure reliable testing of products as per Indian Standards. These laboratories support product certification (ISI Mark / CRS) and are essential for MSMEs seeking compliance.

BIS Recognized Labs Directory: https://www.bis.gov.in/wp-content/uploads/2026/04/Group_1_30042026.pdf

BIS Empaneled labs: https://www.bis.gov.in/wp-content/uploads/2026/04/Group-2_23042026.pdf

🔍 Use filters (State: Kerala) to access latest list

| Laboratory Name | Location | Sector | Key Testing Areas | Status |
|---|-----------------------------|---------------------------------|---|------------------------------------|
| Cochin Test House | Kochi | Industrial / Food / Environment | Water Testing, Food Analysis, Chemical Testing, Environmental Monitoring | BIS Recognized Laboratory |
| Interfield Laboratories | Kochi | Construction | Cement, Concrete, Steel, Soil, Building Materials Testing | BIS Recognized Laboratory |
| Centre for Biopolymer Science & Technology (CBPST), CIPET | Kochi | Polymer / Plastics | Plastic & Polymer Testing, Material Characterization, Mechanical & Chemical Testing | Sector-Specific Testing Laboratory |
| Fluid Control Research Institute (FCRI) | Palakkad | Forestry / Environmental | Wood Testing, Soil Analysis, Environmental Testing, Forest Produce Evaluation | Sector-Specific Testing Laboratory |
| Kerala Highway Research Institute (KHRI) | Thiruvananthapuram | Construction | Cement, Concrete, Bitumen, Road Materials Testing | Sector-Specific Testing Laboratory |
| Kerala Water Authority Laboratories | Kerala (Multiple Locations) | Water | Drinking Water Testing, Water Quality Analysis | Sector-Specific Testing Laboratory |
| Coir Board Laboratory | Thrissur | Coir Industry | Fibre & Coir Product Testing | Sector-Specific Testing Laboratory |
| Rubber Research Institute of India (RRII) Laboratories | Kottayam | Rubber | Polymer & Rubber Testing, Latex & Rubber Product Analysis | Sector-Specific Testing Laboratory |

5. CSIR LABORATORIES – MSME TESTING & R&D SUPPORT (KERALA REGION)

The Council of Scientific and Industrial Research (CSIR) is a premier national R&D network providing testing, certification, and technology support to industries and MSMEs. CSIR laboratories play a key role in quality improvement, product development, and innovation.

CSIR Website: <https://www.csir.res.in>

Major CSIR Laboratories (Relevant to Kerala & Nearby Regions)

| Laboratory Name | Location | Sector | Key Services |
|---|--------------------|------------------------|---|
| CSIR – National Institute for Interdisciplinary Science and Technology (NIIST) | Thiruvananthapuram | Chemical / Materials | Chemical Testing, Materials Research, Process Development |
| CSIR – National Institute of Oceanography (NIO, Regional Centre) | Kochi | Marine / Environmental | Marine Testing, Environmental Analysis |
| CSIR – Central Food Technological Research Institute (CFTRI) | Mysuru | Food Processing | Food Testing, Product Development |
| CSIR – National Chemical Laboratory (NCL) | Pune | Chemical | Chemical Analysis, Industrial R&D |
| CSIR – Structural Engineering Research Centre (SERC) | Chennai | Construction | Structural Testing, Material Evaluation |

Types of Support Available

- Advanced Testing & Analysis Services
- Product Development & Process Optimization
- Technology Transfer to MSMEs
- Support for Startups & Innovation Projects

Relevance for MSMEs

- Access to high-end testing facilities
- Helps in product standardization & certification
- Supports export quality compliance
- Enables innovation and technology upgradation

6. TESTING CENTRES OF MINISTRY OF MSME, GOVERNMENT OF INDIA

The Ministry of Micro, Small and Medium Enterprises operates a network of MSME Testing Centres and Technology Centres to support industries with product testing, quality certification, and technical services. These centres help MSMEs comply with national standards and improve competitiveness.

MSME Testing Centres Info: <https://dcmsme.gov.in>

Major MSME Testing / Technology Centres (Relevant to Kerala & Nearby)

| Centre Name | Location | Sector | Key Services |
|---|----------------------|------------------------------|---|
| MSME Testing Centre (MSME-TC) | Chennai | General Engineering | Material Testing, Calibration, Product Testing |
| MSME Testing Station (Extension of MSME Testing Centre Chennai) | Ettumanoor, Kottayam | Multi-sector / Basic Testing | Basic Material Testing, Product Testing Support, MSME Advisory & Facilitation |
| MSME Testing Centre | Mumbai | Mechanical / Electrical | Electrical Testing, Mechanical Testing |
| MSME Technology Centre (IGTR) | Bengaluru | Tooling / Manufacturing | Tool Design, Precision Engineering, Testing |
| MSME Technology Centre (CFTI) | Mysuru | Tooling / Industrial | Product Development, Testing |

MSME Testing Centres – Testing Charges & Contact Details

Detailed testing charges, facilities and contact details of MSME Testing Centres at Chennai, Puducherry and Ettumannur can be accessed through the following official links:

- [MSME Testing Charges Schedule \(PDF\)](#)
- [MSME Testing Centre Contact Details](#)

These centres provide testing, calibration and technical support services for MSMEs across various engineering, electrical, chemical and product sectors.

7. TESTING LAB OF MINISTRY OF COMMERCE, GOVERNMENT OF INDIA-EIA

The Export Inspection Council of India (EIC), under the Ministry of Commerce & Industry, is responsible for quality control and pre-shipment inspection of export products. It operates through regional agencies known as Export Inspection Agencies (EIA).

These agencies ensure that products meet international standards and importing country requirements, which is essential for MSMEs engaged in exports.

EIC Website: <https://www.eicindia.gov.in>

Export Inspection Agencies & Labs (Relevant to Kerala Region)

| Agency / Laboratory | Location | Sector | Key Services |
|---|----------|------------------------|---|
| Export Inspection Agency (EIA) – Kochi | Kochi | Food / Marine / Export | Export Certification, Food Testing, Pre-shipment Inspection |
| EIA – Chennai | Chennai | Multi-sector | Export Inspection, Laboratory Testing |
| EIA – Mumbai | Mumbai | Industrial / Food | Export Quality Assurance |
| EIA – Kolkata | Kolkata | Food / Agro | Export Certification Services |

Types of Services Provided

- Pre-shipment Inspection & Certification
- Food & Marine Product Testing
- Export Quality Certification (Health Certificate, Certificate of Origin support)
- Monitoring of Export Units (EU / HACCP / ISO systems)

Relevance for MSMEs

- Mandatory for export of marine, food, and notified products
- Ensures compliance with international standards (EU, US, etc.)
- Helps MSMEs in export market access
- Supports quality assurance and brand credibility

Annexure

Financial Assistance for Testing & Common Facility Support (Kerala – MSMEs)

MSMEs in Kerala can avail financial assistance for product testing, quality certification, calibration, export compliance and common testing infrastructure through schemes of the Ministry of MSME and other Government agencies.

Testing, Certification & Export Support Schemes Relevant for MSMEs

| Sl. No | Scheme | Ministry / Implementing Agency | Major Support for Testing / Certification | Financial Assistance | Eligible Units | Official Guidelines / Direct Link |
|--------|---|---|--|--|---|---|
| 1 | MSME Sustainable (ZED) Certification Scheme | Ministry of MSME / Quality Council of India (QCI) | Product testing, quality certification, ZED assessment, process improvement and technology upgradation support | Certification subsidy: 80% (Micro), 60% (Small), 50% (Medium). Additional 10% subsidy for Women/SC/ST/NER/Himalayan/Island/Aspirational District MSMEs. Testing & certification support up to 75%, maximum ₹50,000. Handholding support up to ₹2 lakh. Technology upgradation support up to ₹3 lakh. | Udyam-registered MSMEs | MSME ZED Scheme Portal For User Manual- https://zed.msme.gov.in/uploads/User_Manual_Financial_Assistance_vf_20220822143211.pdf |
| 2 | Testing Fee Reimbursement Scheme for SC/ST MSMEs | Ministry of MSME / National SC-ST Hub (NSSH), NSIC | Reimbursement of testing fees for SC/ST owned MSMEs | Up to 80% reimbursement of testing fee or ₹1,00,000 (excluding GST), whichever is lower | SC/ST owned MSMEs | scsthub.in/testing-fee-reimbursement-scheme |
| 3 | MSME Tool Rooms & Technology Centres | Ministry of MSME / Technology Centres under MSME Ministry | Testing, calibration, product development and technical consultancy services | Subsidized testing and technical services | MSMEs & Startups | MSME Technology Centres & Tool Rooms |
| 4 | Capacity Building of First Time MSE Exporters (CBFTE) | Ministry of MSME / National Small Industries Corporation (NSIC) | Export product testing, international certification, export compliance testing and certification reimbursement | 75% reimbursement of testing/certification expenses up to ₹1 lakh per MSE unit for up to 3 certificates per year | First-time Micro & Small Exporters having IEC | CBFTE Scheme Portal |

| | | | | | | |
|---|--|---|--|--|---------------------------------------|--|
| 5 | Scheme for Reimbursement of Testing & Certification Charges for Start-ups and Telecom MSEs | Department of Telecommunications (DoT) / TEC & NCCS | Reimbursement of telecom product testing and certification expenses | Reimbursement support for TEC/MTCTE related testing & certification as per scheme guidelines | Telecom Start-ups & Telecom MSMEs | TEC Reimbursement Scheme PDF |
| 6 | APEDA Quality Development Assistance Scheme | Agricultural and Processed Food Products Export Development Authority / APEDA | Assistance for sample testing of APEDA scheduled products | 50% reimbursement of sample testing charges up to ₹5,000 per sample | Exporters of APEDA scheduled products | APEDA Quality Development Assistance |
| 7 | TRACE Scheme | Ministry of Commerce & Industry / DGFT | International product testing, inspection and export certification support | Up to 60–75% reimbursement with maximum benefit up to ₹25 lakh per IEC per year | Exporters & MSMEs | TRACE Scheme Reference |

COMMON FACILITY CENTRES (CFCs) – KERALA

Under MSE–Cluster Development Programme (MSE-CDP), Ministry of MSME, Govt. of India

Common Facility Centres (CFCs) provide shared infrastructure, advanced machinery, testing facilities, skill development and other support services to MSMEs in cluster based industries to improve competitiveness, product quality and productivity.

CFCs IN KERALA – COMMISSIONED

| Sl. | Cluster / CFC Name | Location (District) | Sector | Key Facilities / Services |
|-----|-----------------------------|-----------------------------|-----------------|---|
| 1 | Rubber Cluster | Changanassery (Kottayam) | Rubber | Processing, Testing, Training |
| 2 | Plastic Cluster | Aluva (Ernakulam) | Plastic | Injection Moulding, Testing |
| 3 | Terra Tile Cluster | Thrissur (Thrissur) | Tiles | Tile Production, Testing, Finishing |
| 4 | Plywood Cluster | Perumbavoor (Ernakulam) | Wood | Wood Processing, Hot Press, Testing |
| 5 | Rice Millers Cluster | Kalady (Ernakulam) | Food Processing | Milling, Quality Testing, Packaging Support |
| 6 | Furniture Cluster | Perumbavoor (Ernakulam) | Furniture | Wood Processing, Finishing, Upholstery |
| 7 | Wood Cluster | Perinthalmanna (Malappuram) | Wood | Cutting, Seasoning, Machining, Training |
| 8 | General Engineering Cluster | Manjeri (Malappuram) | Engineering | Machining, Fabrication, Welding, Testing |
| 9 | Wood Cluster | Chadayamangalam (Kollam) | Wood | Wood Processing, Finishing, Drying |
| 10 | Offset Printing Cluster | Kannur (Kannur) | Printing | Printing Machinery, Pre-press, Finishing |
| 11 | Wood Furniture Cluster | Taliparamba (Kannur) | Furniture | Modern Wood Processing, Finishing |
| 12 | Furniture Cluster | Chevoor (Thrissur) | Furniture | Advanced Machinery, Finishing, Polishing |

Note: Facilities may vary from centre to centre. Access through respective Cluster SPVs / Associations.

Important Note : Facilities vary by cluster and sector. Access is usually through Cluster SPVs / Associations. Some centres may be partially operational or under development.
